

Are You:

- a trading arm of a charity?
- a social enterprise or an ethical business?
- a socially responsible business or organisation?

Do you need to raise finance through grants, loans or other forms of investment?

GK Partners

Subsidised Business Support

- Leadership
- Business Planning
- Access to Finance

Between April and October 2009,
GK PARTNERS is offering
a limited number of places on this specialist
subsidised business support programme.

GK PARTNERS delivers the programme through:

- Action-based business development master classes
- One-to-One guidance and mentoring by specialist advisers
- Research on funding and financing for your organisation
- Practical help with preparing your business plan
- Introduction to funders, lenders and investors
- Guidance through application processes

GK PARTNERS can help you:

- Develop, prepare and present your ideas to potential funders or investors
- Produce a feasible and viable project or business plan
- Meet the requirements of funders, lenders and other investors
- Produce and present grant, loan and other investment applications
- Acquire the skills needed to lead new ventures and enterprises

To benefit from this programme you need to:

- Be committed and focused on raising finance from grants, loans or other investments
- Commit appropriate and adequate time and resources to achieving the agreed goals
- Contribute £500 (+VAT) towards stage 1 (3 days support)
- Contribute £200 (+VAT) towards stage 2 (3 days support)
- Registering for stage 1 & 2, entitles clients to a day of pro bono support from GK Partners (1 day support)
